Passion for life

Renault DOKKER Van

100 % made-to-measure

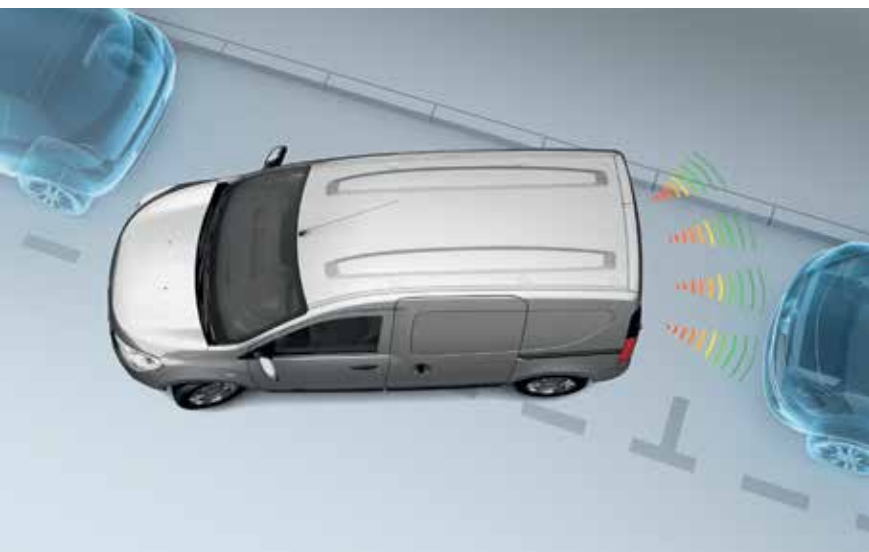

Always ready when you need it, the new Renault Dokkervan skillfully rises to the challenge of meeting your day-to-day needs. Whether you are a craftsman or a trader, its 750 Kg payload will prove invaluable whatever task you ask of it.

A modular, practical space

Accessibility, loading volume & driving comfort: the Renault Dokker Van is packed with benefits and nice surprises. Renault offers you a vehicle up to 3.9 m³, equipped as a saloon car, as robust as a utility vehicle and as practical as a...Dokker Van!

Action technologies

Renault Dokker Van has everything to make your work easier: cruise control with speed limiter, rear parking sensors, practical storage areas... And to enhance your efficiency, it provides you with the Media Nav multimedia system and its large, 7-inch (18 cm) touchscreen, with navigation, 4 x 20 W radio, audio streaming and Bluetooth® hands-free calling.

A model employee

Available, open and spacious: the Renault Dokker Van aims to please, with an innate sense of practicality and versatility. It can take all kinds of loads, assisted by XL sliding side doors (more than 70 cm wide) and two asymmetrical rear doors. Meeting the challenges of transport and delivery with ingenuity and panache, the Renault Dokker Van moves with the times: its economical engine, low CO2 emissions and respect for both the environment and your budget make it a truly model employee!

Economical performance

The engine that powers Dokker Van shows consumption levels among the lowest in its class, without having to resort to expensive and complex technologies or sacrificing performance. Renault offers...

1.6 MPI 85 hp **Efficient & dynamic**

Efficient both in consumption* and cost of usage, this engine allows for a very dynamic driving at a cost that is amongst the most frugal!

*6.7 L/100km (extra-urban cycle fuel consumption, according to applicable regulations).

Big on loading

Ready and willing to serve

Easy Seat, a nice-sounding name that says it all. Foldable and removable, the passenger seat shows its full ingenuity when the backrest folds down to form a temporary desk. When fully removed, it frees up extra space, increasing the loading volume to 3.9 m³!

A taste for efficiency

The Dokker Van will exceed your expectations. Its loading area is equipped with 8 lashing rings on the floor, ensuring that your most fragile items are firmly held in place. For added security, you can choose between 3 types of partition: tubular, full glazed or pivoting wire-mesh (associated with Easy Seat). The side and rear doors can be either panelled or glazed. And for even greater efficiency, the Dokker Van is available with side panels and a robust, stylish boot carpet.

An open nature

Easy loading is the watchword. The Dokker Van comes with one or two sliding side doors and the loading width stands at 703 mm! The asymmetrical rear doors, meanwhile, open to a width of 1.08 m. That's a good score as well!

Effective width
up to 1.19 m

Effective height
up to 1.10 m

Effective length
up to 3.11 m *

Effective volume
up to 3.90 m³ *

Payload
750 kg

*Optional with Easy Seat option

Pearl Black (SEC)

Mercury (SEC)

CO: opaque colours.
SEC: metallic colours.

Equipment

Main standard equipment on Dokker Van

- Black front and rear bumpers
- 1/3-2/3 panelled rear doors
- 1 panelled sliding side door
- 15" steel wheels with hubcaps
- Bulb Daytime Running Lights
- Power-assisted steering
- Manual key
- Manual windows
- Manual air conditioning
- Open storage space on the dashboard
- ABS + emergency brake assist
- Driver & passenger airbags
- Electronic Stability Program (ESP)
- Tyre pressure monitoring system (TPMS)
- Visual over-speed alert
- Radio, USB & jack plugs, Bluetooth®
- Steering wheel audio control
- On-board computer
- 750 kg payload

- 8 lashing points on the floor
- Textile floor carpet
- Side protective strips
- Height-adjustable front seat belts
- Overhead storage area
- 4 side panel rings in the loading area

Options

- Metallic paint
- Body colour electric demisting door mirrors
- Body colour bumpers
- 15" alloy wheels
- Fog lamps
- Electric pack: electric front windows, electric door mirrors, remote central locking
- Glazed left sliding door
- Glazed dual opening rear doors with wiper

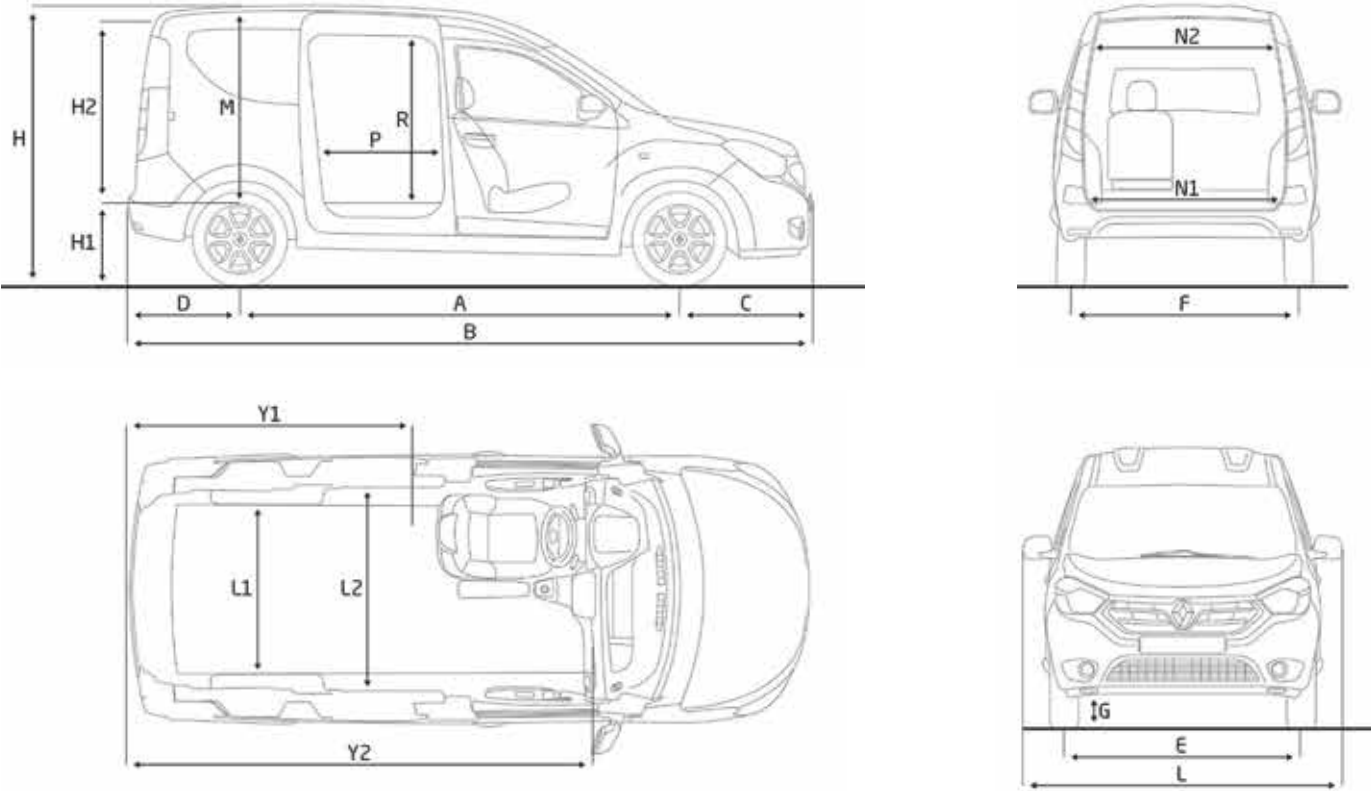

- Rear parking sensors
- Cruise control with speed limiter
- Longitudinal roof bars
- Height adjustable driver seat and steering wheel
- Plug & Radio: CD/MP3 player
- Renault MEDIA NAV: 7" touchscreen navigation system
- Adaptation kit for conversions: adaptation connection, wiring for adaptation and fast idle speed

Engine

1.6L 8V 85	
ENGINE	
Fuel	Petrol
Emission control level	Euro 4
Capacity (cm3)	1,598
Bore x Stroke (mm)	79.5 x 80.5
Number of cylinders / valves	4 / 8
Max. Power	85 HP (62 kW) @ 5,000 rpm
Max. Torque	128.5 Nm @ 2,800 rpm
Injection Type	Multipoint
Catalytic converter	Yes
GEARBOX	
Type	Manual
Number of forward gears	5
Speed at 1,000 rpm in 1 st / 2 nd	6.19 / 11.26
Speed at 1,000 rpm in 4 th / 5 th / 6 th	17.45 / 23.74 / 31.24
STEERING	
Steering	Power-assisted (hydraulic)
Turning circle diameter at kerb / wall (m)	11.1 / 11.6
Number of steering turns lock-to-lock	3.3
AXLES	
Front axle type	Pseudo Mac Pherson with wishbone arm
Rear axle type	H-type torsion beam with programmed deflection coil spring suspension
WHEELS AND TYRES	
Standard wheel rims	15"
Front-rear standard tyres	185 / 65R15
BRAKING	
Brake circuit type	Diagonal
ABS (Anti-lock Braking System)	Yes
EBD (Electronic Brake-force Distribution)	Yes
